

RESULTS

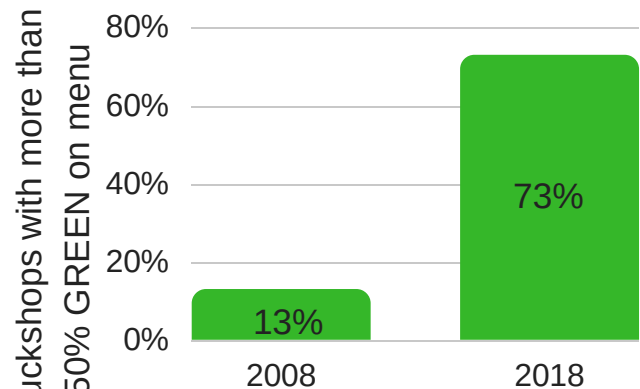

2018 QUEENSLAND TUCKSHOP SURVEY

Data from 500 participating tuckshops

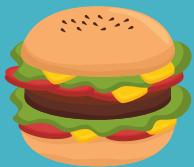

1458

school tuckshops in Queensland

Most tuckshop menus are now more than 50% GREEN!

Best sellers

1. Pasta dishes
2. Burgers
3. Wraps

Top snack

Fruit

Challenges

1. Low volunteer numbers
2. No convenor orientation
3. Community support

Tuckshops with healthy menus are more likely to make a profit!

Thank you to the 500 tuckshop convenors who generously gave their time to complete the survey!

For support in creating a healthy, profitable tuckshop contact QAST on 3324 1511

Proudly funded by the Queensland Government

Full details on survey methodology and results are available via report on the QAST website www.qast.org.au
