

## Fact Sheet

# QEDSOA 93758 – Food and Tuckshop Supplies

This arrangement has been established to provide discounted pricing for food and tuckshop supplies. The arrangement also reduces administrative burden and supports compliance with the Smart Choices - Healthy Food and Drink Supply Strategy for Queensland Schools.

**Term** – Initially 18 July 2019 to 18 July 2022, with three (3) by twelve (12) month extensions, at the discretion of DoE.

### What are the Benefits of Using this SOA?

- **Save Time and Money** – Some pre-negotiated discounts and pricing structures for commonly purchased products.
- **Reduce Your Risk** – SOA's are governed by the Government Conditions to protect the buyer
- **Support Smart Choices** - Healthy Food and Drink Supply Strategy for Queensland Schools

### Who can use this arrangement?

Queensland Government Departments/Agencies, non-State schools, P&Cs (State and non-State), non-government bodies, other Commonwealth, State or Territory bodies
