

Queensland Association of School Tuckshops Inc.

TUCKSHOP TUNEUP

QAST's qualified consultants are available to visit tuckshops and assess issues impacting service delivery. QAST provides support to school administration and parent bodies to maintain a nutritious, safe and viable school food service.

Cost: \$1,500 + travel expenses.

OUR ON-SITE CONSULTANT SERVICE INCLUDES:

- On-site assessment of finances, menu, food safety, marketing, ordering system and overall efficiency of processes
- Consultation with tuckshop staff and management to discuss areas of concern
- Full report with detailed recommendations
- Samples and templates for easy implementation of recommendations
- Ongoing support to monitor changes

To request a Tuckshop Tuneup, please send this completed form to admin@qast.org.au along with your menu, current and previous year's P&L statements, and any documented tuckshop policies and procedures.
