

QAST exists to support tuckshops and can help you achieve your goals.

The QAST team has over 30 years combined experience in running tuckshops that meet the needs of the school community.

QAST membership is key to the running of a successful tuckshop.

“

"QAST has provided us with friendly, helpful support and advice for 4 years. Whether it's attending one of their courses, or a menu or recipe check-up, I know they're just a quick email away."

Leanne Hayward
Tuckshop Convenor
Bli Bli State School

"The QAST team have been our constant support for many years. They provide a wealth of knowledge and training around all aspects of operating a successful tuckshop. They lead us to success and they'll guide you to achieve great success also."

Debra Davenport
P&C Operations Manager
Chancellor State College
P&C Association

"Without the advice, guidance and wealth of knowledge that we received from QAST, our Tuckshop Turnaround Project wouldn't nearly have been as successful as it was. Thank you QAST."

Julie Husted
P&C Member
Buderim Mountain State School
